

June 2021 Victor's Newsletter

After more than a year, we are returning to our old hours with the exception that I will close at 4:00 on Saturdays. However, this weekend (Memorial Day weekend) we will be closed Saturday the 29th. If you anticipate needing supplies for that weekend but can't make it to Victor's by Friday, give me a call and I'll arrange to have them available for pickup at Trifecta.

With the relaxation of the mandate for all fully vaccinated persons, we are no longer requiring masks to enter the store. For unvaccinated individuals we continue to ask they mask up.

I am leaving the door unlocked (except when I'm working in the back room), in which case please ring the doorbell.

Trifecta Coffee Company. Customers can continue to pick up some supplies at Trifecta, but please conform to their current posted mask requirements, if any. Their hours are Monday – Friday 6:30 – 6:00PM, Saturday 7:00 – 5:00 PM, and Sunday 9:00 – 3:00 PM.

Our ordering process includes the options of calling in or emailing orders to 505-883-0000 or yourfriends@victorshomebrew.com. You then have the choice of picking up your order at Victor's or Trifecta.

PRODUCTS, SUPPLIES, AND OTHER OFFERINGS AND NEWS.

Grapes. We are accepting preliminary orders for bulk grapes grown by New Mexico Vineyards in Deming. Paolo asked that I tell him what I anticipate ordering, so I have told him Cabernet Sauvignon, Malbec, Sangiovese, and Merlot. I have one preorder for Zinfandel, but in the past I've not received enough orders for it to be able to justify a 1,000lb order. If anyone wishes to make Zinfandel this year, please let me know and perhaps we can order a load of it also.

Updated Hours starting June 1.

Tuesdays – Fridays 10:00 – 5:30PM

Saturdays 10:00 – 4:00PM

Upcoming Holiday Hours.

Memorial Day Weekend: We will be closed Saturday – Monday, May 29-31

As always, please feel free to call with any questions about these procedures or about beer and winemaking. When I am not at the shop during the week, I receive voicemail messages on my cell and will respond to your call as soon as possible.

It's always a pleasure to hear from you and look forward to again having you visit at the shop.
Happy and Safe Fermenting, Jens
